

CITY OF TERRE HAUTE

# DESTINATION WABASH AVE

Designed And Engineered For Activity

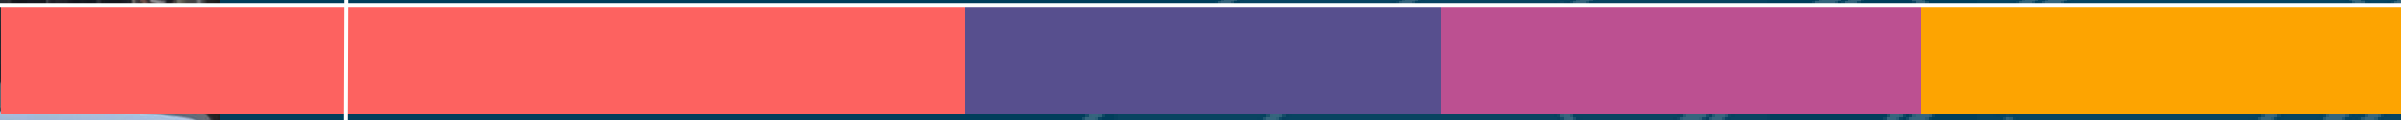

PUBLIC MEETING | 12.11.24

# Project Overview: Wabash Avenue

# Typical Design Project Steps

A typical design project goes through several distinct steps.

# Typical Design Project Steps

A typical design project goes through several distinct steps.

VISIONING / CONCEPT DEVELOPMENT

WHAT ARE WE TRYING TO ACHIEVE WITH THE STREET?  
HOW DO WE WANT IT TO FUNCTION?  
WHAT DO WE WANT IT TO LOOK LIKE?

# PROJECT OVERVIEW

The overriding goal is to RE-IMAGINE the street and how it could meet the varying objectives of the local community:

Street Function

Transportation  
and Mobility

Local Business

Community  
Functions

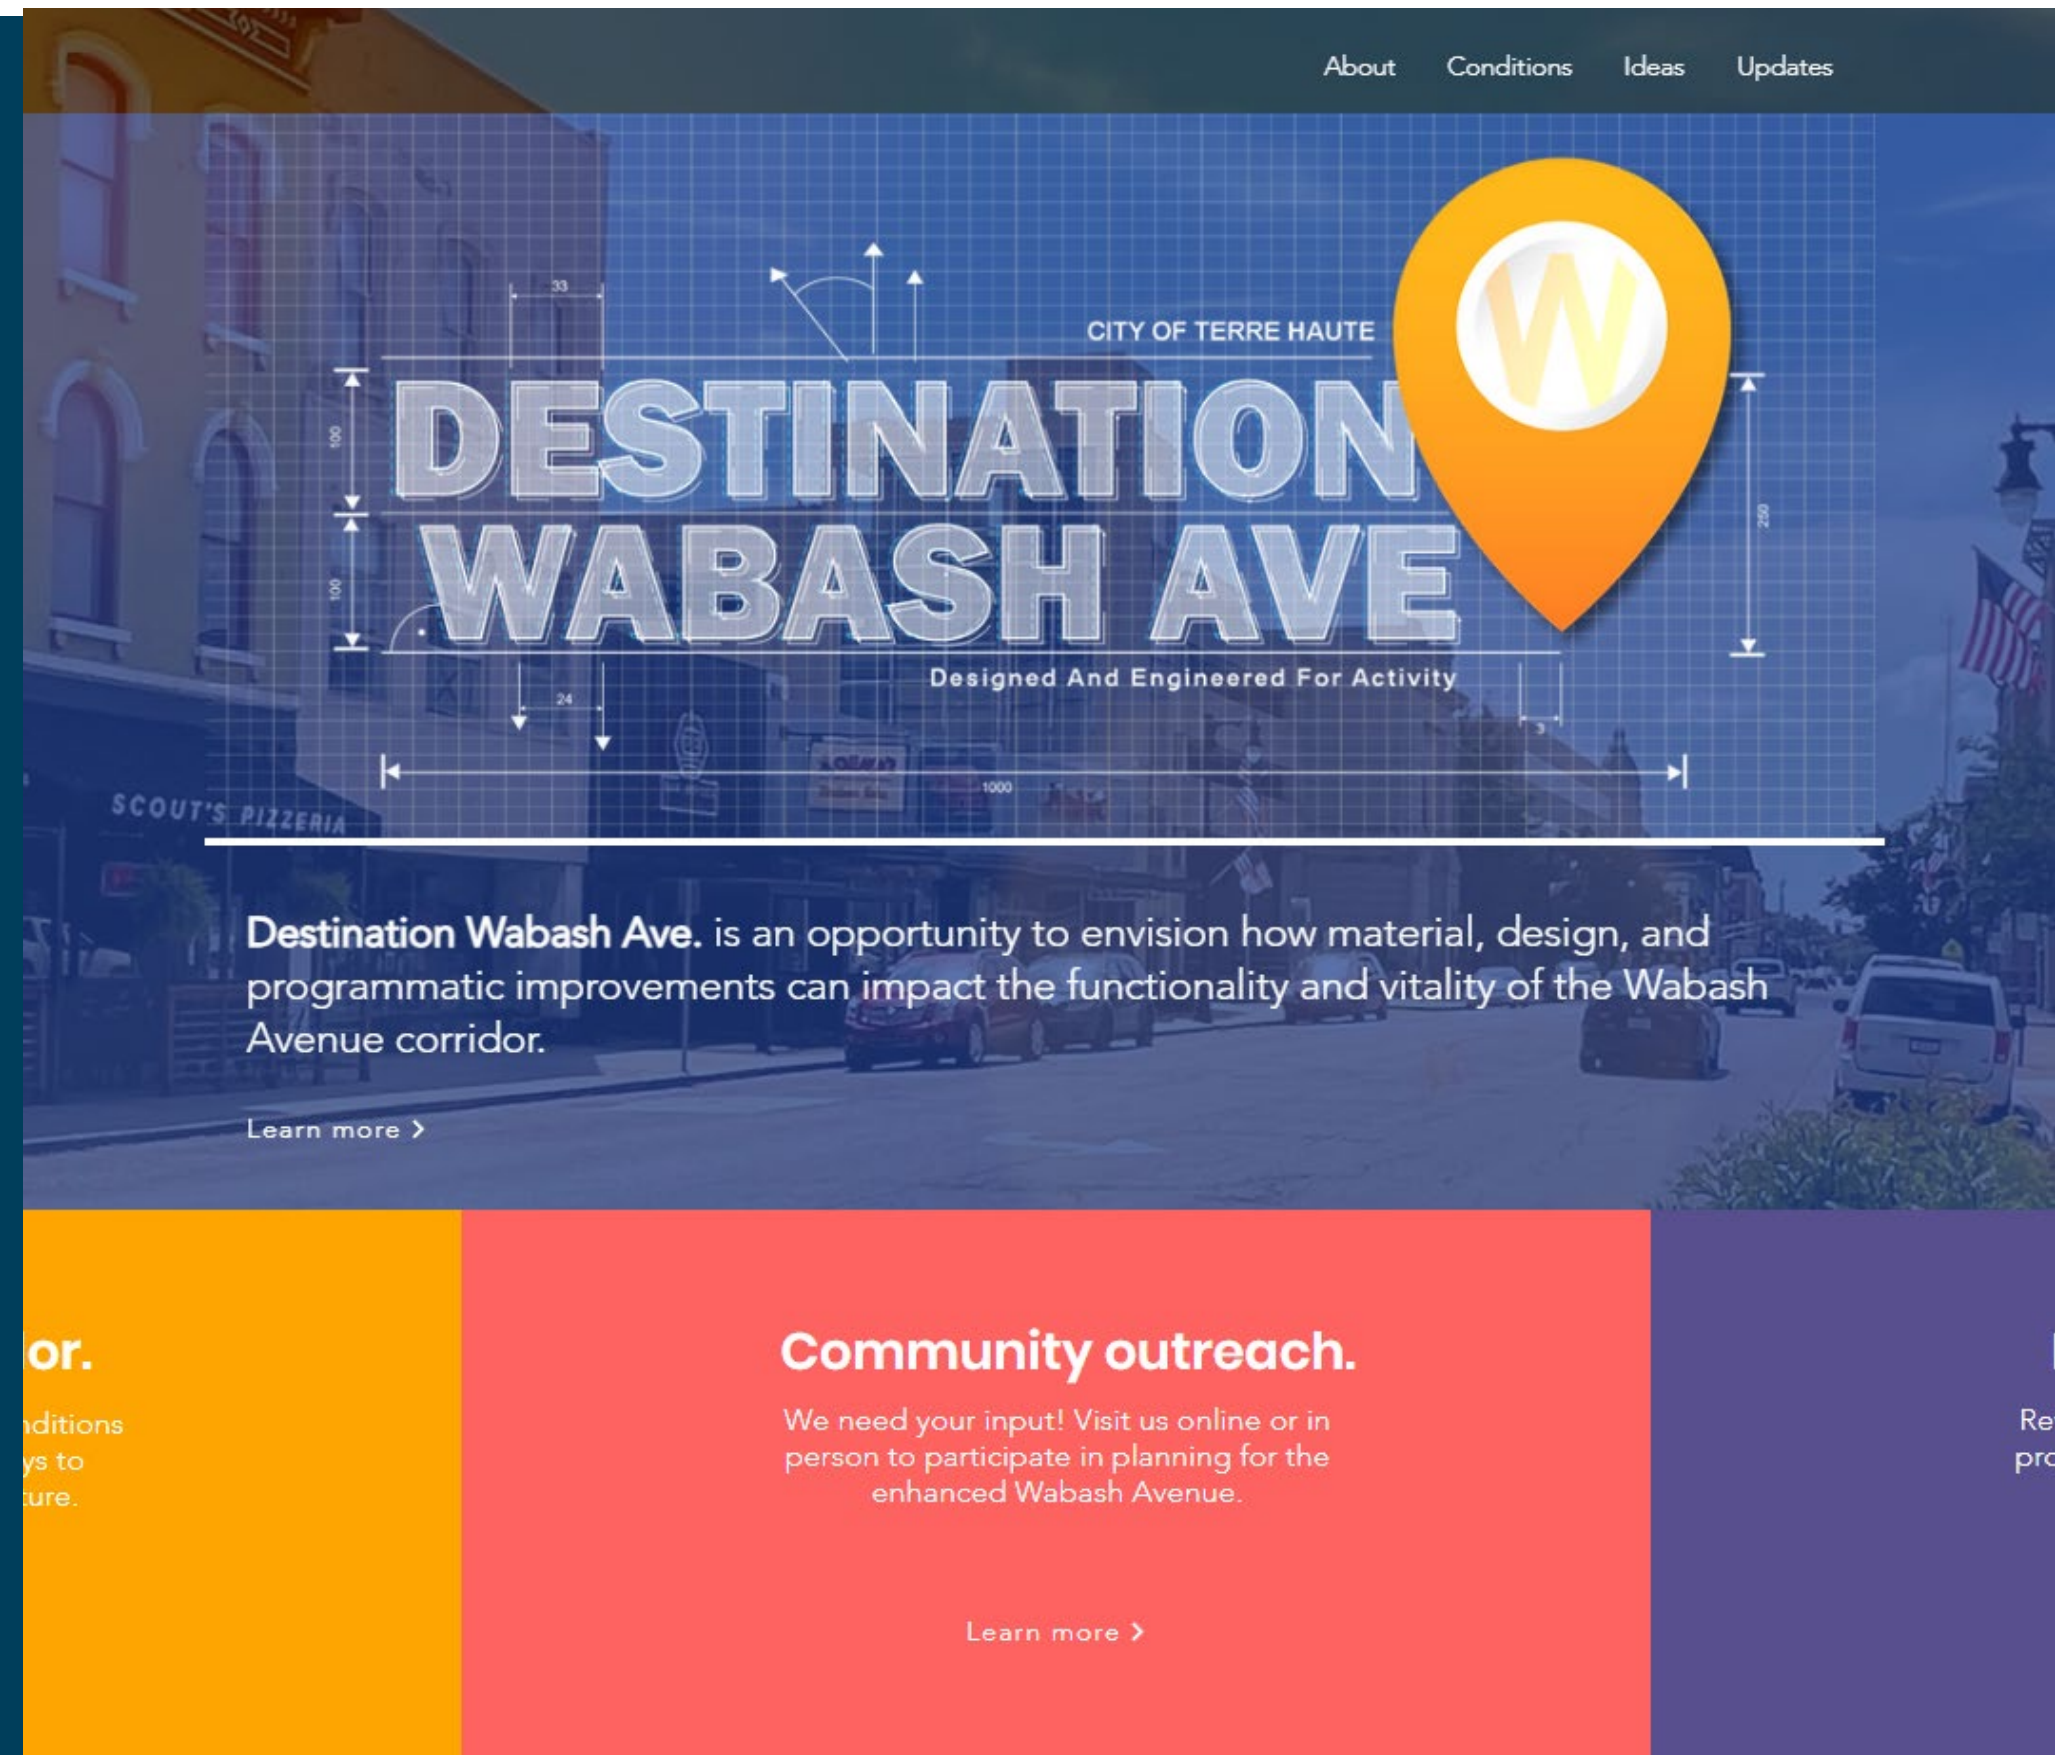

Special Community  
Events

# ENGAGEMENT & INPUT

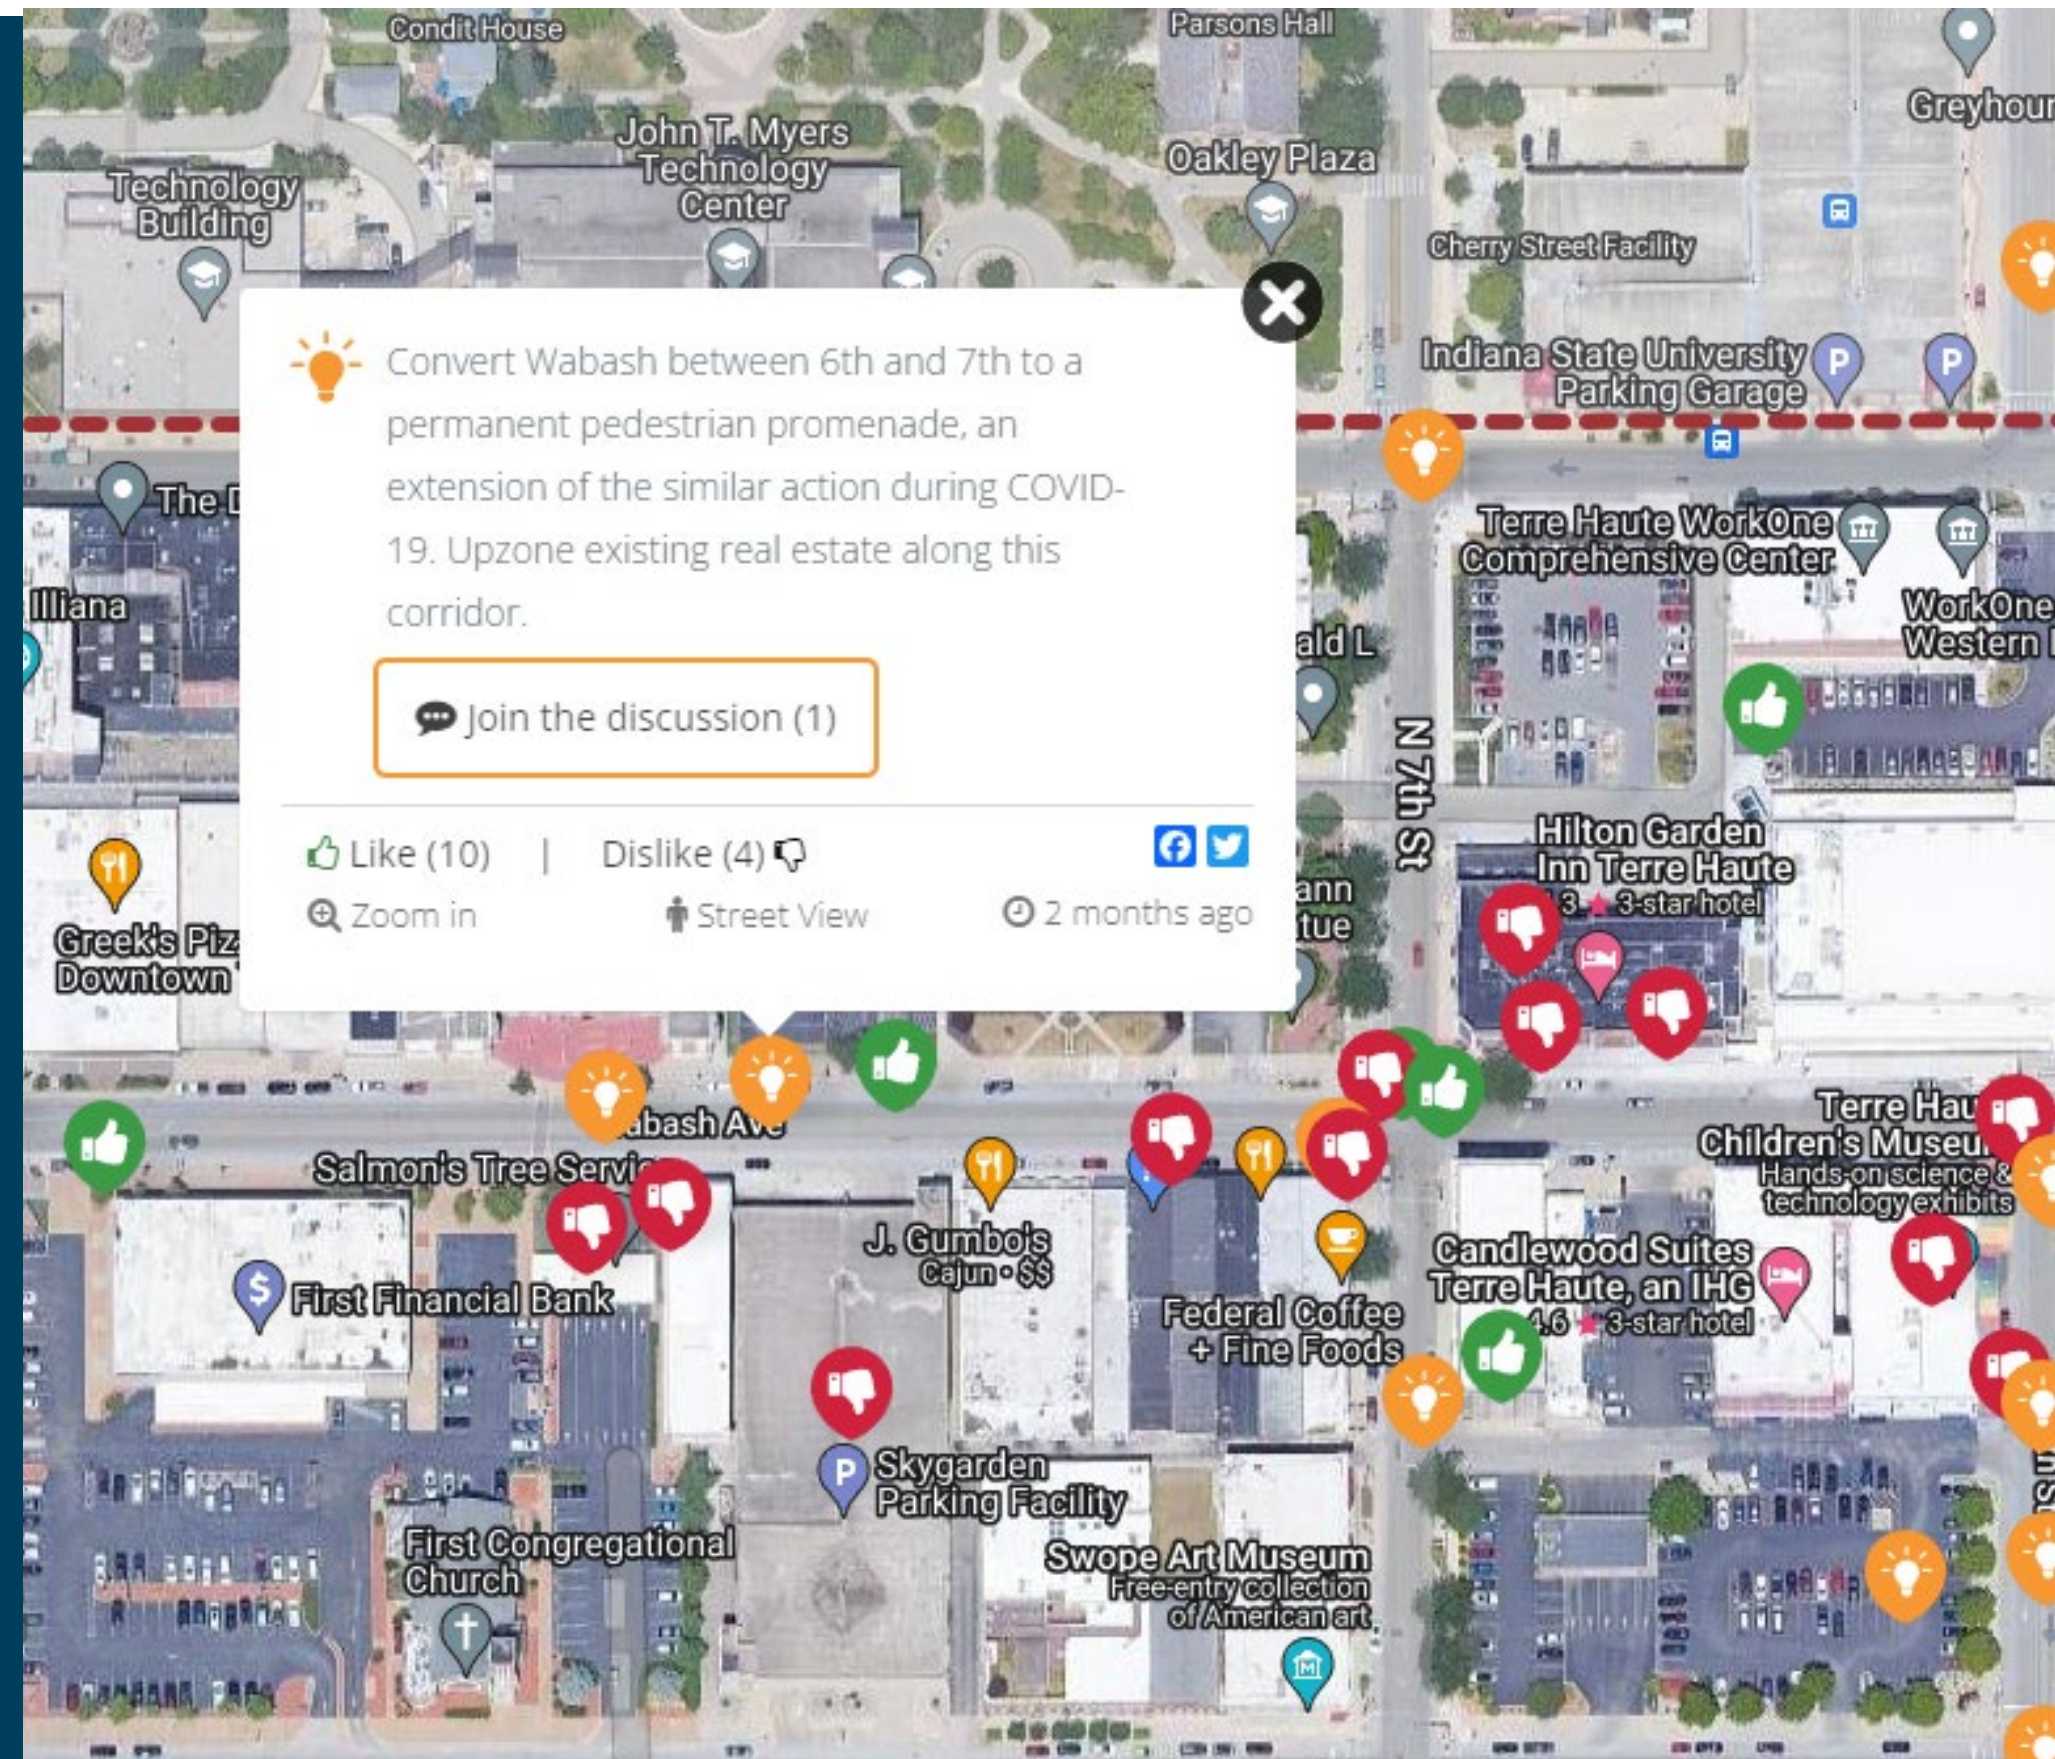

# WEBSITE AND SURVEYS
